November Lectionary

Let's continue reading together! As we journey into the month of November, let us prepare our hearts and minds for worship by reading the scheduled lectionary texts each week. The texts are listed below. Before you read each text, practice a few minutes of centering prayer to clear your mind. Pray for clarity and focus. While reading, physically or mentally take notes so that you can summarize what the scripture is saying. Finally, go back and pick out any themes or recurring ideas that may be relevant to your personal life, Saint James or the church at large. Close your reading time with a Prayer of Thanksgiving for God's word and revelation.

**Shepherd's Care Ministry!** Congregational Care is an integral part of the ministry of Saint James Presbyterian Church. In an effort to respond to the call to care for one another, our new supply pastor along with the Session, Stephen Ministry, Deacons and Office Staff have developed the new Shepherd's Care ministry.

Shepherd's Care functions as a pastoral care arm of ministry. The purpose of the Shepherds Care ministry is to care for our congregation by providing presence through visits and prayer during times of medical procedures, health crisis, transitions, and illness.

Our supply pastor is the primary provider for end of life care, bereavement and funerals. Our Shepherds Care team provides presence for ongoing care concerns. The foundation for this ministry is in scripture. Just as Moses was admonished to appoint elders to assist with the care of God's flock (Exodus 18); and just as the early church provided people to care for widows as the apostles gave themselves to prayer and the teaching of the word (Acts 2), our church stands in a biblical tradition to commission people of faith to provide for the care of God's people.

So how does it work? To help ensure that everyone has a Shepherd, including those on the Forget Me Not List, our congregation is divided into groups based on the first letter of your last name. Each group has been assigned a Shepherds care team member as seen below. If there is a need for prayer, notice of a medical procedure or surgery, notice of a current or past hardship, members can call the church office at 336-273-6658 or email [care@stjamespresby.org](mailto:care@stjamespresby.org). The office will notify your Shepherds Care Provider immediately.

If there is an end of life situation, the supply pastor is the primary provider. All information is private unless permission is given to share with the entire church during prayer and/or through the forget me not list. The Shepherd's Care Team has been thoroughly trained, and is eager to serve, so do not hesitate to share your need.

## **FELLOWSHIP** *Expressions of gratitude, celebrations and church functions!*

### **Thank you...**

Rev. Hamlin and St. James Presbyterian Church Family,  
Thank you for the peace lily, cards, phone calls and expressions of sympathy you extended to me in the loss of my mother, Mrs. Elizabeth B. Gillis. It's been a very difficult time. However, our grief has been made easier to bear because of your love and support. Thank you very much. ~Mona Gillis Edwards and Family

Rev. Hamlin, Rev. Hughes and the entire Saint James Presbyterian Church Family, we are so appreciative of your many acts of kindness shown towards us during my father's illness and at the time of his death. Your cards, text, emails and prayers were reassuring that we were not alone during these uncertain times. God Bless each of you! ~Sincerely, Ralph, Ursula, Devin and Alexis Robinson

To Rev. Hamlin and the Saint James Presbyterian Church Family, Althea, Duncan, and I remain overwhelmed with gratitude by the outpouring of love shown to us since the death of our beloved Aleta Marie Bradford. Your expressions of kindness, in many different forms, continue to lift our spirits, encourage our will to go on, and enliven our faith in God's sustaining love. We ask that you remain diligent in praying for us unceasingly. ~Adnee M. Bradford and family

“In Deuteronomy 15, God gave the Hebrews an “economic empowerment plan” that required them to take care of each other. Specifically, if they would forgive their brothers their debts and would take action to insure them an adequate standard of living, God would bless them. If they would take care of the strangers who entered their gates and would be fair to the widows and orphans, God would bless their land and it would be fruitful. God always reminded them that what they had was not the result of their work but the result of his goodness to their forebears...

When we give to meet the needs of others, our attitude makes all the difference. God is not only concerned with what we give but how we give it. I believe that one of the greatest tragedies of our society is that we give with the wrong attitude: therefore, God does not bless our gifts. Merely taking care of the needy out of obligation is not enough – we must do it with a generous and ungrudging heart. In the same way that God enjoys blessing his own, we too must learn how to enjoy the blessing that comes from taking care of each other.” Deuteronomy 15:1 (Verse), Deuteronomy 15:1-11 (Passage)
