January Lectionary

Let's continue reading together! As we journey into the month of January, let us prepare our hearts and minds for worship by reading the scheduled lectionary texts each week.

The texts are listed below. Before you read each text, practice a few minutes of centering prayer to clear your mind. Pray for clarity and focus. While reading, physically or mentally take notes so that you can summarize what the scripture is saying. Finally, go back and pick out any themes or recurring ideas that may be relevant to your personal life, Saint James or the church at large. Close your reading time with a Prayer of Thanksgiving for God's word and revelation.

The Presbyterian Men's Ministry would like to express our thanks for the congregational support of our Fish and Chicken Fundraisers and to all men that actively participated in the ministry during 2020. During the challenges of this pandemic, we have continued to seek ways to Touch Lives through Jesus Christ and minister inside and outside the walls.

We have missed the in-person meetings and wonderful fellowship breakfasts, prepared by Deacon Wilomenia Rankin. However, the Men have continued to actively participate on Boards of the church, the Pastor Nominating Committee, Congregational Care, Message and a Meal, supporting Saint James as a Matthew 25 Congregation by participating with the work of the Social Justice Ministry and through Community Service projects, such as donations to Urban Ministry, Blessed Table Food Pantry and to Families with special needs.

All men of the church are requested to donate \$35 for 2021 annual dues. Payments may be made to Gary Williams, Treasurer or in the regular offering. Make checks payable to Saint James Presbyterian Church, PayPal or CashApp (\$sjpcnc) with Presbyterian Men on the memo line. ~Elder Charles Knox, President

**Shepherd's Care Ministry!** Congregational Care is an integral part of the ministry of Saint James Presbyterian Church. In an effort to respond to the call to care for one another, our new supply pastor along with the Session, Stephen Ministry, Deacons and Office Staff have developed the new Shepherd's Care ministry.

Shepherd's Care functions as a pastoral care arm of ministry. The purpose of the Shepherds Care ministry is to care for our congregation by providing presence through visits and prayer during times of medical procedures, health crisis, transitions, and illness.

Our supply pastor is the primary provider for end of life care, bereavement and funerals. Our Shepherds Care team provides presence for ongoing care concerns. The foundation for this ministry is in scripture. Just as Moses was admonished to appoint elders to assist with the care of God's flock (Exodus 18); and just as the early church provided people to care for widows as the apostles gave themselves to prayer and the teaching of the word (Acts 2), our church stands in a biblical tradition to commission people of faith to provide for the care of God's people.

So how does it work? To help ensure that everyone has a Shepherd, including those on the Forget Me Not List, our congregation is divided into groups based on the first letter of your last name. Each group has been assigned a Shepherds care team member as seen below. If there is a need for prayer, notice of a medical procedure or surgery, notice of a current or past hardship, members can call the church office at 336-273-6658 or email [care@stjamespresby.org](mailto:care@stjamespresby.org). The office will notify your Shepherds Care Provider immediately.

If there is an end of life situation, the supply pastor is the primary provider. All information is private unless permission is given to share with the entire church during prayer and/or through the forget me not list. The Shepherd's Care Team has been thoroughly trained, and is eager to serve, so do not hesitate to share your need.

# **SOCIAL JUSTICE ADVOCACY MINISTRY**

## **GUILFORD COUNTY COALITION ON INFANT MORTALITY PARTNERSHIP**

The Saint James Social Justice ministry has been contacted by the Guilford County Coalition on Infant Mortality to enlist interested church members in the Collective Action Strategic Planning process the coalition is undertaking to rebrand and redirect its efforts. The purpose of the process is to create strong strategies designed to reduce infant mortality and eliminate the significant disparities that exist for infants of color. We all realize that starting work on this youngest cohort of our citizens, our infants, is essential in order to see the strong, equitable and healthy society we desire.

Three areas of participation have been suggested for those Saint James members who want to partner in any portion of this important work:

- 1) Participate in work groups or “convening” where goals and priority areas of the rebranded Coalition will be defined. There will be 4-5 sessions of 90 minutes each between now and March led by the Root Cause consulting group to complete this phase. The dates of these sessions will be announced within the next 3 weeks, and posted in the Sunday announcements.
- 2) Volunteer for a Leadership Action Team made up of members of the African American community who represent faith communities, healthcare industry, public officers, and interested at-large citizens. The team will partner with the coalition to superintend the implementation of the priority areas.
- 3) Board of director’s members with experience in the following sectors will be needed: healthcare, hospital administration, marketing, legal, finance, DHHS, and community organizing. No fund raising is required for board participation.

If you have an interest in investing in the future of our city, county, state and country by battling infant mortality and its disproportionate effect on communities of color, please choose one of the activities designed to make the Coalition a strong force in making a difference in all our lives. For additional information, contact Vanessa Haygood, Christina Youngue, or email Jean Workman, CEO at [jworkman@guilfordcountync.gov](mailto:jworkman@guilfordcountync.gov) with your interest in joining this effort.

### **Stephen Ministry: In Honor of Mrs. Julia Ruth Richmond**

On behalf of Stephen Ministry, it is fitting to honor the memory of Mrs. Julia Ruth Richmond who transitioned from this life October 21, 2020 and to acknowledge her commitment and service to this Christ-centered ministry for sixteen years.

Mrs. Richmond ascribed to the core values of her training as a Stephen Minister and especially to the listening skills she embraced and to her consistency in offering herself to others. There was a saying amongst us, "Once a Stephen Minister, always a Stephen Minister." And so, it was with Mrs. Richmond.

Her nature was straight forward, given in kindness, and always with a sense of decency and order. She was a teacher, committed to her students and led an accomplished life of achievement.

In later years she was known to say, "I'll do what I can" and she remained true to her promise. We salute Mrs. Julia Ruth Richmond with honor and respect.

~Adnee Bradford, Yvonne Patterson and Cynthia M. Latham, Stephen Leaders

## **A New Beginning for The New Year!**

"... "Why is the house of God neglected?" Then I called them together and stationed them at their posts. All Judah brought the tithes of grain, new wine and olive oil into the storerooms." Nehemiah 13:11b-12.

The year 2020 will be a time that few, if any will forget. The continuing efforts to thwart our participation in democracy by making it difficult for people of color to vote. The emergence of a deadly pandemic and the racial disparities revealed to all by its disproportionate impact. The inherent danger as the truths of racism were once again unearthed. We witnessed the miles long lines of people in search of Covid-19 testing and food, as the financial devastation took hold nationally. We watched in horror as nearly nine minutes ticked by as George Floyd lay in the street under the knee of a police officer. We continue to try to wrap our head around the murder of Breonna Taylor as a barrage of bullets "mistakenly" took her life. Perhaps the saddest of all is that these are only two of too many! Yet, as we begin a new year, we take time to reflect on the fullness and goodness of God. We are believers! His hand is in ours as we hang on in this secular world.

Your financial commitment to St. James Presbyterian Church in 2020 supported church leadership, staff, building maintenance as well as many ministries that work tirelessly to address the growing needs of our community. None of this could happen without the love you express through your giving.

As we enter 2021, let us be mindful that we cannot grow weary. We must work diligently at getting ourselves into "good trouble."

*Praise  
The Lord*
