# February Lectionary

Let's continue reading together! As we journey into the month of February, let us prepare our hearts and minds for worship by reading the scheduled lectionary texts each week.

The texts are listed below. Before you read each text, practice a few minutes of centering prayer to clear your mind. Pray for clarity and focus. While reading, physically or mentally take notes so that you can summarize what the scripture is saying. Finally, go back and pick out any themes or recurring ideas that may be relevant to your personal life, Saint James or the church at large. Close your reading time with a Prayer of Thanksgiving for God's word and revelation.

### **Presbyterian Men**

The Presbyterian Men's Ministry would like to express our thanks for the congregational support of our Fish and Chicken Fundraisers and to all men that actively participated in the ministry during 2020. During the challenges of this pandemic, we have continued to seek ways to Touch Lives through Jesus Christ and minister inside and outside the walls.

We have missed the in-person meetings and wonderful fellowship breakfasts, prepared by Deacon Wilomenia Rankin. However, the Men have continued to actively participate on Boards of the church, the Pastor Nominating Committee, Congregational Care, Message and a Meal, supporting Saint James as a Matthew 25 Congregation by participating with the work of the Social Justice Ministry and through Community Service projects, such as donations to Urban Ministry, Blessed Table Food Pantry and to Families with special needs.

All men of the church are requested to donate \$35 for 2021 annual dues. Payments may be made to Gary Williams, Treasurer or in the regular offering. Make checks payable to Saint James Presbyterian Church, PayPal or CashApp (\$sjpcnc) with Presbyterian Men on the memo line. ~Elder Charles Knox, President

**Shepherd's Care Ministry!** Congregational Care is an integral part of the ministry of Saint James Presbyterian Church. In an effort to respond to the call to care for one another, our new supply pastor along with the Session, Stephen Ministry, Deacons and Office Staff have developed the new Shepherd's Care ministry.

Shepherd's Care functions as a pastoral care arm of ministry. The purpose of the Shepherds Care ministry is to care for our congregation by providing presence through visits and prayer during times of medical procedures, health crisis, transitions, and illness.

Our supply pastor is the primary provider for end of life care, bereavement and funerals. Our Shepherds Care team provides presence for ongoing care concerns. The foundation for this ministry is in scripture. Just as Moses was admonished to appoint elders to assist with the care of God's flock (Exodus 18); and just as the early church provided people to care for widows as the apostles gave themselves to prayer and the teaching of the word (Acts 2), our church stands in a biblical tradition to commission people of faith to provide for the care of God's people.

So how does it work? To help ensure that everyone has a Shepherd, including those on the Forget Me Not List, our congregation is divided into groups based on the first letter of your last name. Each group has been assigned a Shepherds care team member as seen below. If there is a need for prayer, notice of a medical procedure or surgery, notice of a current or past hardship, members can call the church office at 336-273-6658 or email [care@stjamespresby.org](mailto:care@stjamespresby.org). The office will notify your Shepherds Care Provider immediately.

If there is an end of life situation, the supply pastor is the primary provider. All information is private unless permission is given to share with the entire church during prayer and/or through the forget me not list. The Shepherd's Care Team has been thoroughly trained, and is eager to serve, so do not hesitate to share your need.

## **GUILFORD COUNTY COALITION ON INFANT MORTALITY PARTNERSHIP**

The Saint James Social Justice ministry has been contacted by the Guilford County Coalition on Infant Mortality to enlist interested church members in the Collective Action Strategic Planning process the coalition is undertaking to rebrand and redirect its efforts. The purpose of the process is to create strong strategies designed to reduce infant mortality and eliminate the significant disparities that exist for infants of color. We all realize that starting work on this youngest cohort of our citizens, our infants, is essential in order to see the strong, equitable and healthy society we desire.

Three areas of participation have been suggested for those Saint James members who want to partner in any portion of this important work:

- 1) Participate in work groups or “convening” where goals and priority areas of the rebranded Coalition will be defined. There will be 4-5 sessions of 90 minutes each between now and March led by the Root Cause consulting group to complete this phase. The dates of these sessions will be announced within the next 3 weeks, and posted in the Sunday announcements.
- 2) Volunteer for a Leadership Action Team made up of members of the African American community who represent faith communities, healthcare industry, public officers, and interested at-large citizens. The team will partner with the coalition to superintend the implementation of the priority areas.
- 3) Board of director’s members with experience in the following sectors will be needed: healthcare, hospital administration, marketing, legal, finance, DHHS, and community organizing. No fund raising is required for board participation.

If you have an interest in investing in the future of our city, county, state and country by battling infant mortality and its disproportionate effect on communities of color, please choose one of the activities designed to make the Coalition a strong force in making a difference in all our lives. For additional information, contact Vanessa Haygood, Christina Youngue, or email Jean Workman, CEO at [jworkman@guilfordcountync.gov](mailto:jworkman@guilfordcountync.gov) with your interest in joining this effort.

## **The Ministry of the Month for February is The Pathway House!**

The Pathways Center is our Ministry Partner for the month of March, and our monthly focus is on the family. Pathways Center is a shelter program that provides homeless families with a safe, temporary environment to live. Families come to Pathways for a variety of reasons, including domestic violence, eviction or crowded living conditions. Through our vision as believers of a spiritual home, let us be guided to help others share in the blessings of a safe living environment. Thanks for your generosity.

## The Fullness of Stewardship

“In Deuteronomy 26 Moses instructs Israel to present the offering on the firstfruits to the sanctuary priest. Moses also instructs Israel about presenting the tithe in the third year. This was a reminder to Israel that they should keep giving back to the God who had done so much for them.

The first fruit is a powerful symbol calling us to give God his portion off the top. Regular, generous giving is an act of worship- a tangible expression of personal thanksgiving and an acknowledgement of his graciousness. It is the recognition that, “All things come of Thee, O Lord, and of Thine own have we given Thee”.

*\*The African-American Devotional Bible, copyright 1997, Zondervan Corp., pg 235, Bishop Marshall Gilmore, Deuteronomy 26:10*

The Ministries of St. James Presbyterian Church are working hard to achieve the goals set by the congregation. Your continued support is crucial to both maintain and build upon the intentions set forth in our Mission Statement and stewardship opportunities.

*Praise  
the Lord*

# NC COVID-19 VACCINATION UPDATES

You have a spot, take your shot.

A tested, safe and effective vaccine will be available to all who want it, but supplies will be limited at first. To save lives and slow the spread of COVID-19, independent state and federal public health advisory committees recommend first protecting health care workers caring for patients with COVID-19, people who are at the highest risk of being hospitalized or dying, and those at high risk of exposure to COVID-19.

Keep practicing the 3 W's—wear a mask, wait six feet apart, wash your hands—until everyone has a chance to get vaccinated.

Please follow the links below for more updates, information and scheduling timeframes.
