April Lectionary

Let's continue reading together! As we journey into the month of April, let us prepare our hearts and minds for worship by reading the scheduled lectionary texts each week.

The texts are listed below. Before you read each text, practice a few minutes of centering prayer to clear your mind. Pray for clarity and focus. While reading, physically or mentally take notes so that you can summarize what the scripture is saying. Finally, go back and pick out any themes or recurring ideas that may be relevant to your personal life, Saint James or the church at large. Close your reading time with a Prayer of Thanksgiving for God's word and revelation.

Presbyterian Men

The Presbyterian Men's Ministry would like to express our thanks for the congregational support of our Fish and Chicken Fundraisers and to all men that actively participated in the ministry during 2020. During the challenges of this pandemic, we have continued to seek ways to Touch Lives through Jesus Christ and minister inside and outside the walls.

We have missed the in-person meetings and wonderful fellowship breakfasts, prepared by Deacon Wilomenia Rankin. However, the Men have continued to actively participate on Boards of the church, the Pastor Nominating Committee, Congregational Care, Message and a Meal, supporting Saint James as a Matthew 25 Congregation by participating with the work of the Social Justice Ministry and through Community Service projects, such as donations to Urban Ministry, Blessed Table Food Pantry and to Families with special needs.

All men of the church are requested to donate \$35 for 2021 annual dues. Payments may be made to Gary Williams, Treasurer or in the regular offering. Make checks payable to Saint James Presbyterian Church, PayPal or CashApp (\$sjpcnc) with Presbyterian Men on the memo line. ~Elder Charles Knox, President

Congregational Care Ministry! Congregational Care is an integral part of the ministry of Saint James Presbyterian Church. In an effort to respond to the call to care for one another, our new supply pastor along with the Session, Stephen Ministry, Deacons and Office Staff have developed the Congregational Care ministry.

Congregational Care functions as a pastoral care arm of ministry. The purpose of the Congregational Care ministry is to care for our congregation by providing presence through visits and prayer during times of medical procedures, health crisis, transitions, and illness. Our supply pastor is the primary provider for end of life care, bereavement and funerals. Our Congregational Care team provides presence for ongoing care concerns. The foundation for this ministry is in scripture. Just as Moses was admonished to appoint elders to assist with the care of God's flock (Exodus 18); and just as the early church provided people to care for widows as the apostles gave themselves to prayer and the teaching of the word (Acts 2), our church stands in a biblical tradition to commission people of faith to provide for the care of God's people.

So how does it work? To help ensure that everyone has an Elder, including those on the Forget Me Not List, our congregation is divided into groups based on the first letter of your last name. Each group has been assigned a Congregational Care team member as seen below. If there is a need for prayer, notice of a medical procedure or surgery, notice of a current or past hardship, members can call the church office at 336-273-6658 or email office@stjamespresby.org. The office will notify your Congregational Care Provider immediately.

If there is an end of life situation, the supply pastor is the primary provider. All information is private unless permission is given to share with the entire church during prayer and/or through the Forget Me Not list. The Congregational Care Team has been thoroughly trained, and is eager to serve, so do not hesitate to share your need.

This project is slated to begin the first week of July and will continue through the fall of 2021.

We are thankful for the many years of work in preserving our rich church history provided by Mrs. Pauline McNair and Mrs. Marie Martin as this opportunity to share our history would not be possible without them.

STEWARDSHIP *Monthly collection*

Cheerful Giving

“The primary principal in Christian giving, Paul says, is that a decision of the “heart” is the locus of generosity; the act should be done purposely, rather than in a casual or cavalier manner. We are to make up our minds not to give with an attitude of reluctance, that is, not with a sense of sorrow that we give “under compulsion.” Then he explains why such negativity should not attend giving. “For God loveth a cheerful giver.” The root word for Greek *hilaron*, “cheerful,” is *hileos*, which means “propitious.” It connotes a readiness of mind and joyousness that is quick to do what needs to be done. A cheerful giver is one who gives with gladness of heart and with fervor – not with reluctance.”

**The African-American Devotional Bible, copyright 1997, Zondervan Corp., pg 1301, Reverend Dr. William Augustus Jones, Verse: 2 Corinthians 9:7, Passage: 2 Corinthians 9:6-15.*

The Ministries of St. James Presbyterian Church have been working throughout the pandemic season to maintain, and in some areas increase the vitality and visibility of our church in several areas that impact the communities of Greensboro and beyond. As a Matthew 25 congregation, we are committed to making our faith come alive by engaging in activities that serve people who are poor, hungry, imprisoned or disenfranchised in any way. Your “readiness” to give makes this work possible.

NC COVID-19 VACCINATION UPDATES

You have a spot, take your shot.

A tested, safe and effective vaccine will be available to all who want it, but supplies will be limited at first. To save lives and slow the spread of COVID-19, independent state and federal public health advisory committees recommend first protecting health care workers caring for patients with COVID-19, people who are at the highest risk of being hospitalized or dying, and those at high risk of exposure to COVID-19.

Keep practicing the 3 W's—wear a mask, wait six feet apart, wash your hands—until everyone has a chance to get vaccinated.
