September Lectionary

Let's continue reading together! As we journey into the month of September, let us prepare our hearts and minds for worship by reading the scheduled lectionary texts each week. The texts are listed below. Before you read each text, practice a few minutes of centering prayer to clear your mind. Pray for clarity and focus. While reading, physically or mentally take notes so that you can summarize what the scripture is saying. Finally, go back and pick out any themes or recurring ideas that may be relevant to your personal life, Saint James or the church at large. Close your reading time with a Prayer of Thanksgiving for God's word and revelation.

From the Desk of the Pastor

Greetings Beloved,

Grace and peace to you on this day and every day. I continue to feel incredibly blessed and honored to be your pastor as God leads us into a new season of life and ministry together.

Today I want to personally give thanks for the strong and faithful support of Saint James. Conscious stewardship has helped this congregation to begin the process of rebuilding after great transition and the impact of a pandemic. Your dedication continues to make a difference in the lives of the people God has called us to serve. Upon review of this quarterly report, you will see that your stewardship (tithes, offerings, and special offerings) has made an impact for our ministries and most importantly, for our community.

As I reflect on the impact of giving, I am encouraged by the growth of our monthly outreach missions, our newly hired technical support team member that facilitates our online presence, the return of a Minister of Music who draws us nearer to God in song, as well as the deepening of our social justice work and its impact on our community as it connects to our Matthew 25 initiative. I also see the building repair work nearing completion and give thanks for a generous donation that allowed us to pay off our mortgage!

Focusing on the road ahead with a vision of furthering and deepening our commitments, additional dedication and broadening of our giving is needed. As you review the quarterly income/expense report, please note that there are several areas of unmet needs which will cause us to use surplus funds to ensure that no ministry is halted. We do not want to continue this practice. One way to draw near to God is through dedicated giving that connects to our vision and mission. Please prayerfully consider increasing your giving to help us meet our upcoming needs:

1. Replace two TVs for the sanctuary
2. Increase lighting and cameras for livestream worship services
3. Develop the media team with additional staff to facilitate a quality stream
4. Grow support of our youth ministry

We believe, as the bible indicates, that there is a power at work within us, as God's people, to accomplish abundantly far more than all we can ask or imagine. We take God at God's word as we expand our generosity and commitment to the life and ministry of Saint James Presbyterian Church.

If you have any specific questions about this report or regarding how your gifts are being used, please feel free to contact our Business Manager, Andrea Russell through email at russella@stjamespresby.org or by phone in the church office.

Thank you again for your faithfulness to God. We look forward to finishing this year strong!

In Christ's Love, Rev. Phanta Lansden

Congregational Care Ministry! Congregational Care is an integral part of the ministry of Saint James Presbyterian Church especially during the Pandemic. Due to Elder changes and the desire to continue to care for one another, the Congregational Care Ministry has been updated. Congregational Care functions as a pastoral care arm of ministry. The purpose of the Congregational Care ministry is to care for our congregation by providing presence through prayer, calls and cards during times of medical procedures, health crisis, transitions, and illness. Our Pastor is the primary provider for end-of-life care, bereavement, and funerals. Our Congregational Care team provides presence for ongoing care concerns. The foundation for this ministry is in scripture. Just as Moses was admonished to appoint elders to assist with the care of God's flock (Exodus 18); and just as the early church provided people to care for widows as the apostles gave themselves to prayer and the teaching of the word (Acts 2), our church stands in a biblical tradition to commission people of faith to provide for the care of God's people.

How does Congregational Care Work?

To help ensure that everyone has an Elder, including those on the Forget Me Not List, our congregation is divided into groups based on the first letter of your last name. Each member of the congregation has been assigned a Congregational Care team member as seen below. Some examples of when to contact the church include but is not limited to prayer, notice of a medical procedure or surgery, notice of a current or past hardship. Please call the church office at 336-273-6658 or email office@stjamespresby.org. The office will notify the Pastor and your Congregational Care Provider immediately. If there is an end-of-life situation, the Pastor is the primary provider. All information is private unless permission is given to share with the entire church during prayer and/or through the Forget Me Not list. The Congregational Care Team is eager to serve, so do not hesitate to share your need.

SOCIAL JUSTICE ADVOCACY MINISTRY

Social Justice Ministry Hosts Farm Bill Listening Session with Congresswomen Alma Adams & Kathy Manning

On Monday, August 22, 2022, the Saint James Presbyterian Church sanctuary was the site of a very important meeting sponsored by Bread for the World and hosted by our Social Justice Advocacy Ministry.

The purpose of the meeting was to provide an opportunity for our community to share our ideas, lived experiences, and work expertise, with Congresswomen Alma Adams and Kathy Manning for consideration in the impending renewal of the Farm Bill in 2023 in the United States Congress.

Congresswoman Adams shared remarks and participated by Zoom and Congresswoman Manning was in attendance.

Congresswoman Adams has sponsored and advocated for issues concerning hunger throughout her years in Congress.

The Farm Bill is renewed every five years in the United States Congress and the listening session held in our church was the only one sponsored by Bread for the World in the Piedmont region of North Carolina. And the only session with two members of Congress present.

Five groups convened for conversation from the 40+ people assembled and shared innovative ideas and opportunities for collaboration across communities.

Some of the thoughts shared included designation of public land for the creation of community gardens, building intergenerational relationships in sharing knowledge of gardening, creating jobs for marginalized youth related to gardening/farming, reparations for African American farmers who have historically been omitted from participation in the food supply system by the United States Department of Agriculture.

Freddie Click, Sr, Reverend Frank Dew, Dr. Vanessa Haygood, Reverend Sekinah Hamlin, Katherine Moore, Mildred Powell, Dr. Vernon Stringer, Lolita Watkins, and Christina Yongue represented the Social Justice Ministry at this event.

Moving Forward

My last Sunday at St. James will be 08/28/22 as I prepare for my move to Lakeland, FL. I am truly grateful for the last 18 years with this congregation. My decision to make this move didn't come easy and the transition will also not be easy, however, I'm grateful that I have the support of my family, friends and church family, which means so much to me! Please keep me and Mikala in your prayers as she begins her senior year at Hampton University this fall. I will miss each and every one of you St. James! My forwarding address will be provided to the church office for all future correspondence. Sincerely, ~Roz Thomason

STEWARDSHIP *Monthly collection and stewardship opportunities.*

STEWARDSHIP

“God calls the church to manifest his generosity. Yet we have so often failed him and fallen short in our call because we have not heeded seriously his call to be stewards of all that he created... a tension has developed- a tension that has separated people from each other... best seen in the line that separates the rich from the poor.

The love of money has created a world where godliness has become secondary to other pursuits..., godly stewardship demands that we challenge the “haves” while encouraging the “have-nots,” because we believe God desires to make all good things available to every person that he has created. God’s will is that we are to “do good, that [we] be rich in good works, ready to distribute, willing to communicate” (1Timothy 6:18).

God’s people must hear his call to replenish the earth, contribute to the development of communities, rebuild the broken structures of society, and reinvest our faith so that all of the world might witness God’s presence and power in a tangible way.

It is our responsibility to develop a just stewardship of our own resources: to give with a cheerful attitude; to lend to those who have need; to learn how to live with peace of mind whether we have money or not; to learn to rejoice in all of the wonderful blessings that God makes available to us; and to cherish those things that are righteous- that are built on a foundation of godliness, faith, love, endurance and gentleness.”*

Spread the Word: Emergency Rental Assistance

Thanks to the American Rescue Plan, billions of dollars in federal rental assistance is reaching renters behind on housing costs, as well as landlords who have struggled during the pandemic. These programs are run locally, and right now emergency rental assistance is available across the country.

The federal government is continuing an all-out push and issuing a call to action to Members of Congress, state and local officials, companies, advocates, nonprofits, the faith community, and more to conduct an all-out push to make sure tenants and landlords take advantage of federal rental assistance to help cover rent, utilities, and other housing costs and keep people in their homes.

Please spread the word about emergency rental assistance. Help is available for renters who are having trouble paying rent, utilities or other housing costs as well as for landlords who have tenants in this situation. State and local programs are distributing billions of dollars in rental assistance.

The Consumer Financial Protection Bureau (CFPB) recently developed a new “Rental Assistance Finder” tool for renters and landlords to find information on rental assistance in their area. The tool is now live at: <https://www.consumerfinance.gov/renthelp>
The CFPB’s site also includes resources to help renters and landlords understand other resources to help navigate various financial hardships related to the pandemic.

Matthew 25 in the PC(USA):

A bold vision and invitation

We are a Matthew 25 church!

Our congregation has accepted the PC(USA)'s invitation to follow Jesus' teachings in Matthew 25:31–46 by becoming active disciples and making a difference in our community and the world.

As part of our Matthew 25 commitment, we pledge to embrace one or more of these three areas of focus:

- Building congregational vitality by deepening and energizing our faith and growing as joyful leaders and disciples actively engaged with our community as we share the gospel of Jesus Christ in word and deed
- Dismantling structural racism by fearlessly applying our faith to advocate and break down the systems, practices and thinking that underlie discrimination, bias, prejudice and oppression of people of color
- Eradicating systemic poverty by acting on our beliefs and working to change laws, policies, plans and structures in our society that perpetuate economic exploitation of people who are poor
