Dear Panther supporters,

Lise' Timmons
McLaughlin
Principal

Thank you for your support and interest in volunteering and becoming one of our community partners. When the community, along with teachers, family members and other adult supports are involved in our schools, great things can happen for our students.

Tori Brasher
Assistant Principal

Dudley High School is committed to boosting student success, but we cannot do it alone. Faith organizations hold an important place in our community and are a powerful resource for our youth. Your willingness to lead and serve in our school will make a difference in the lives of many students and will help us achieve educational excellence.

John Brown
Assistant Principal

Justin Giersbrook
Assistant Principal

We value your thoughts and ideas on developing a partnership between Dudley High School and the members of the Pulpit Forum. We specifically need additional adult presence at the beginning of school, in our hallways during transitional periods and in our cafeteria and ask you consider assisting us during these times.

Assistant Principal
