October Lectionary

Let's continue reading together! As we journey into the month of October, let us prepare our hearts and minds for worship by reading the scheduled lectionary texts each week.

The texts are listed below. Before you read each text, practice a few minutes of centering prayer to clear your mind. Pray for clarity and focus. While reading, physically or mentally take notes so that you can summarize what the scripture is saying. Finally, go back and pick out any themes or recurring ideas that may be relevant to your personal life, Saint James or the church at large. Close your reading time with a Prayer of Thanksgiving for God's word and revelation.

ADMINISTRATION *Church Business & Officer Information (continued)*

Congregational Care Ministry! Congregational Care is an integral part of the ministry of Saint James Presbyterian Church especially during the Pandemic. Due to Elder changes and the desire to continue to care for one another, the Congregational Care Ministry has been updated. Congregational Care functions as a pastoral care arm of ministry. The purpose of the Congregational Care ministry is to care for our congregation by providing presence through prayer, calls and cards during times of medical procedures, health crisis, transitions, and illness. Our Pastor is the primary provider for end-of-life care, bereavement, and funerals. Our Congregational Care team provides presence for ongoing care concerns. The foundation for this ministry is in scripture. Just as Moses was admonished to appoint elders to assist with the care of God's flock (Exodus 18); and just as the early church provided people to care for widows as the apostles gave themselves to prayer and the teaching of the word (Acts 2), our church stands in a biblical tradition to commission people of faith to provide for the care of God's people.

How does Congregational Care Work?

To help ensure that everyone has an Elder, including those on the Forget Me Not List, our congregation is divided into groups based on the first letter of your last name. Each member of the congregation has been assigned a Congregational Care team member as seen below. Some examples of when to contact the church include but is not limited to prayer, notice of a medical procedure or surgery, notice of a current or past hardship. Please call the church office at 336-273-6658 or email stjoffice820@gmail.com. The office will notify the Pastor and your Congregational Care Provider immediately. If there is an end-of-life situation, the Pastor is the primary provider. All information is private unless permission is given to share with the entire church during prayer and/or through the Forget Me Not list. The Congregational Care Team is eager to serve, so do not hesitate to share your need.

October Informer Stewardship

Faith's Acid Test: Trusting in God's Love

"As Christians we often confuse worldly confidence with the life of faith. Day after day, we live like we have faith in God. Yet our actions often show that we depend primarily upon our own abilities. It is easy to confuse worldly confidence with the life of faith since both require action on our part. Worldly confidence, however, means that we trust in our own strength to carry us through, whereas the life of faith requires that we trust in God..."

"Trusting God acknowledges God's love in our lives. Abrahams's trust in God allowed him to see God's faithfulness. But if we never trust God, we will never see the love of God for us. Our slave fore-parents, in the midst of terrible pain and suffering, echoed this belief in their words and deeds. They believed that experiencing God's love with the gift that accomplished acts of faith.

Faith-based actions will cause us to say again and again in the face of our needs, "God alone will provide..."

Spread the Word: Emergency Rental Assistance

Thanks to the American Rescue Plan, billions of dollars in federal rental assistance is reaching renters behind on housing costs, as well as landlords who have struggled during the pandemic. These programs are run locally, and right now emergency rental assistance is available across the country.

The federal government is continuing an all-out push and issuing a call to action to Members of Congress, state and local officials, companies, advocates, nonprofits, the faith community, and more to conduct an all-out push to make sure tenants and landlords take advantage of federal rental assistance to help cover rent, utilities, and other housing costs and keep people in their homes.

Please spread the word about emergency rental assistance. Help is available for renters who are having trouble paying rent, utilities or other housing costs as well as for landlords who have tenants in this situation. State and local programs are distributing billions of dollars in rental assistance.

The Consumer Financial Protection Bureau (CFPB) recently developed a new “Rental Assistance Finder” tool for renters and landlords to find information on rental assistance in their area. The tool is now live at: <https://www.consumerfinance.gov/renthelp>

The CFPB’s site also includes resources to help renters and landlords understand other resources to help navigate various financial hardships related to the pandemic.

For additional information about the Emergency Rental Assistance program, [visit the unified federal housing assistance portal hosted by the CFPB.](#)

Matthew 25 in the PC(USA):

A bold vision and invitation

We are a Matthew 25 church!

Our congregation has accepted the PC(USA)'s invitation to follow Jesus' teachings in Matthew 25:31–46 by becoming active disciples and making a difference in our community and the world.

As part of our Matthew 25 commitment, we pledge to embrace one or more of these three areas of focus:

- Building congregational vitality by deepening and energizing our faith and growing as joyful leaders and disciples actively engaged with our community as we share the gospel of Jesus Christ in word and deed
- Dismantling structural racism by fearlessly applying our faith to advocate and break down the systems, practices and thinking that underlie discrimination, bias, prejudice and oppression of people of color
- Eradicating systemic poverty by acting on our beliefs and working to change laws, policies, plans and structures in our society that perpetuate economic exploitation of people who are poor

To learn more and for ideas on how to get involved and do your vital part as a member of a Matthew 25 church, please visit pcusa.org/matthew25.
