

SAINT JAMES PRESBYTERIAN CHURCH- NC

THE INFORMER

| MARCH 2026

**Rev. Dr. Phanta I. Lansden,
Senior Pastor**

Greetings Beloved,
"Dream 2026 is an invitation to take the limits off God and open our hearts to what the Holy Spirit desires to do in and through us. This year, we are thinking beyond what is familiar, releasing fear and scarcity, and daring to trust God for more than we can see or imagine. As we follow the movement of the Spirit, we believe God will lead us into new possibilities, deeper faith, and greater impact—shaping a future that reflects God's love, power, and promise in ways beyond our expectations."— Pastor Lansden

Dreaming Forward Together: A Glimpse into January & February

As we step more fully into 2026, I want to share a glimpse of what these first two months have held and where we are headed together.

January and February have been full in the most sacred ways. We began the year honoring the saints who have gone before us through our annual Memorial Worship Service. Soon after, we gathered for our Martin Luther King Jr. service, a powerful reminder that faith and justice remain deeply intertwined in our calling.

We have also walked tenderly with families in grief, officiating services for Matthew Goodman, Olivia Barber, and Stephanie, the mother of Zaiah and August Wadelington. Alongside these moments of remembrance, there have been hospital visits, phone calls, and prayerful presence with many navigating illnesses and new diagnoses. Pastoral care continues to be one of the quiet but holy rhythms of our shared life.

In January, our Session gathered for a Dream Session to discern where God is inviting us to focus this year. Three clear priorities emerged:

1. Strengthening Our Online Worship Community

We are expanding our online worship responder team to engage more intentionally with those who join us digitally. Thanks to Jayne's leadership, we held our first training session this week. Already, we are seeing deeper engagement during worship, with approximately 35 live worshippers online each Sunday and an average of 150 weekly views. Our goal is not simply numbers, it is connection. We want those worshipping from home to feel seen, welcomed, and spiritually nourished.

We are also working with Jayne to grow our media presence and increase video engagement beyond Sunday mornings so that our digital ministry becomes an extension of discipleship throughout the week.

2. Enhancing Youth Ministry

We are committed to strengthening our ministry with our children and youth, cultivating spiritually vibrant, relationally safe, and developmentally meaningful spaces. This year, we will continue to build volunteer capacity and deepen youth integration into congregational life. Our young people are not the church of tomorrow; they are the church right now.

3. Increasing Hospitality

Hospitality is more than a handshake; it is a culture. We are examining how we welcome visitors, follow up with new families, and foster a sense of belonging both in-person and online. Our desire is that everyone who walks through our doors or logs onto YouTube experiences warmth, dignity, and invitation.

Beyond congregational leadership, we have also been active in our broader community and Presbytery. We hosted a mobilization for Bishop Barber and the Poor People's Campaign in preparation for the Wilson-to-Raleigh march and welcomed the Presbytery for its recent meeting here. It was a joy to host our colleagues and receive such encouraging feedback about the spirit and execution of the gathering. I continue to serve on the Committee on Ministry and the Transitions Task Force, working particularly to refine processes that support smaller and historically Black congregations navigating pastoral transitions.

Officer training concluded in mid-February, and our newly trained leaders are energized and ready to serve.

In addition to congregational goals, I hold personal commitments for growth this year, continuing to deepen as a preacher, pastor, and public theologian, and refining our worship services to increase engagement and theological depth. Growth is not optional in ministry; it is essential. As your pastor, I am committed to continual learning and formation so that I may serve you well.

I also believe in the importance of sustainable leadership. Like many of you, I balance ministry with family life, ongoing education, personal health, and caregiving responsibilities. These are not distractions from ministry; they are part of what allows me to lead with clarity, strength, and joy.

As we move through 2026, we are not simply maintaining church life. We are dreaming forward, intentionally, prayerfully, and together. I look forward to sharing the NEW Lenten Sermon Series with you during this season, where we will consider ways to move FORWARD TO DREAM.

God is doing some amazing things in our midst, and I am excited about it! Thank you for dreaming with me!

Blessings,

Rev. Dr. Phanta Lansden

Congregational Care Ministry

This is an integral part of Saint James Presbyterian Church. The purpose of the Congregational Care ministry is to care for our congregation by providing presence, prayers, calls and cards during times of illness, medical procedures, health crisis, and transitions. Our Pastor is the primary provider for end-of-life care, bereavement, and funerals. Our Congregational Care team provides presence for ongoing care concerns. The foundation for this ministry is in scripture. Just as Moses was admonished to appoint elders to assist with the care of God's flock (Exodus 18); and just as the early church provided people to care for widows as the apostles gave themselves to prayer and the teaching of the word (Acts 2), our church stands in a biblical tradition to commission people of faith to provide for the care of God's people.

DISCIPLESHIP

How does Congregational Care Work?

To help ensure that everyone has an Elder, including those on the Forget Me Not List, our congregation is divided into groups based on the first letter of your last name. Each member of the congregation has been assigned a Congregational Care team member as seen below. Some examples of when to contact the church include but is not limited to prayer, notice of a medical procedure or surgery, notice of a current or past hardship. Please call the church office at 336-273-6658 or email stjoffice820@gmail.com. The office will notify the Pastor and your Congregational Care Provider immediately. If there is an end-of-life situation, the Pastor is the primary provider. All information is private unless permission is given to share with the entire church during prayer and/or through the Forget Me Not list. The Congregational Care Team is eager to serve, so do not hesitate to share your need.

Social Justice Advocacy Ministry

Chairs, Lolita Watkins, Christina Yongue

The Social Justice Advocacy Ministry and the Black & Brown Women's Voting Initiative organized a successful Get Out the Vote Campaign 2024 through our Adopt a Precinct voter engagement strategy. With this community voter strategy, we focused on establishing relationships and sponsoring events in the historic Warnersville community, the oldest African American planned neighborhood in the City of Greensboro. Our group partnered with the Warnersville Community Association and planned various events which enabled our Adopt a Precinct Committee to share voter education information, register individuals to vote, and establish relationships to build from in supporting this close-knit community. Student leaders from Bennett College and North Carolina A&T State University participated in phone banking, neighborhood canvassing, event planning, and verifying voter registration as these were key areas of our focus. On Sunday, March 30, 2025, these young adult student leaders were recognized in our 10:00 am worship service by our Pastor Reverend Dr. Phanta Lansden and received certificates of appreciation in a reception held in the fellowship hall. Two middle school voter advocates, Kendall and Kora Emly and high school advocates, Cyrah and Victoria Hardy were also recognized for assisting with voter look-up verification after worship on Sunday, September 29, 2024.

The Adopt a Precinct Committee and the Black & Brown Women's Voting Initiative are involved in planning next steps in supporting our Warnersville neighbors and friends. Contact our church office at (336)-273-6658 for information about the Adopt a Precinct Committee and the Black & Brown Women's Voting Initiative.

Family Support

SJPC Affordable Housing Committee along with West Market St UMC assisted our first family with moving from Pathways to a permanent residence. We were able to provide rental assistance to a single dad with 3 children living in transitional housing at Pathways to move into their own apartment.

IHI Support

A special thanks to Session for approving the use of funds to assist IHI with their non-profit application. At the March IHI workgroup meeting we were advised that IHI had received approval for its 501(c)3 non-profit status. This will allow for donations to be tax deductible and position IHI for filing for grants.

Winter Shelter

Four IHI participating churches provided nightly winter shelter and meals to 57 people experiencing homelessness during the months of December - March. This was the result of a partnership with Greensboro Urban Ministry and the City.

STEWARDSHIP

Monthly collection and stewardship opportunities.

God invites us to worship Him in many ways. This includes the giving of our Tithes and Offerings. Here's what that means.

The Old Testament reminds us to "bring ye all the titles into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord, if I will not open you the windows of heaven and pour you out a blessing that there shall not be room enough to receive it." Malachi 3:20 (KJV).

Similarly, the New Testament reminds us that the Lord loves a "cheerful giver" (2 Corinthians 9:7 KJV), and all that we have already belongs to the Lord. It is in this spirit that we invite you to support the work and the ministries of St. James Presbyterian Church through the consistent and cheerful regular giving of your tithes and offerings. Thank you.

Your financial commitment to St. James Presbyterian Church in 2025 supported church leadership, staff, building maintenance as well as many ministries that work tirelessly to address the growing needs of our community. None of this could happen without the love you express through your giving.

We must work diligently at getting ourselves into "good trouble."

STEWARDSHIP

THE INFORMER

Sometimes jewels are found in our own front yards or at the doorsteps of St. James Presbyterian Church.

During a recent conversation with Gary Williams, I gained rather valuable insights regarding caregiving. Gary responded to my observation of his attention to details regarding his mother, Mrs. Thelma Williams, said, rather cavalierly, "it's just like taking care of a baby. You recognize the needs and do your part to see that they are met." Similarly, in a conversation with Ms. Helen Russell, the sensitive caretaker of her sister, Ms. Katherine Maynard, Helen said to me, "I'm just doing what our parents taught us."

There are so many more accounts of caregivers in this congregation who willingly attend to the needs of family members and friends, and who, at the same time, must recognize the importance of self-care. From my perspective, these members represent the best examples of Matthew 25 practiced both at home and abroad. My goal is to continue highlighting these heroic men and women within our midst.

The next narrative, still related to our concern for the welfare of one another, came quite by surprise as I began preparing the Sunday School lesson I am to teach, Sunday, March 8, in the John B. Erwin Adult Class, organized by Elder Marie Martin. The lesson, "KEEPING FIT FOR THE SAKE OF OTHERS" built around the theme, "Fulfilling Our Obligations to Neighbors," features an introduction focusing on our own pastor, Rev. Dr. Phanta Lansden. The author of this study uniquely frames Dr. Lansden's personal journey from obesity to a transformed lifestyle she incorporates into her Wellness Wednesday ministry at St. James Presbyterian Church.

To read more about this experience, see the Spring 2026 publication, "THE PRESENT WORD ADULT BIBLE LESSONS" (pp 7-8).

The class meets at 9:00 am every Sunday in Classrooms 1& 2. All are welcome to attend.

Matthew 25 in the PC(USA): A bold vision and invitation

We are a Matthew 25 church!

Our congregation has accepted the PC(USA)'s invitation to follow Jesus' teachings in Matthew 25:31–46 by becoming active disciples and making a difference in our community and the world.

As part of our Matthew 25 commitment, we pledge to embrace one or more of these three areas of focus:

- Building congregational vitality by deepening and energizing our faith and growing as joyful leaders and disciples actively engaged with our community as we share the gospel of Jesus Christ in word and deed
- Dismantling structural racism by fearlessly applying our faith to advocate and break down the systems, practices and thinking that underlie discrimination, bias, prejudice and oppression of people of color
- Eradicating systemic poverty by acting on our beliefs and working to change laws, policies, plans and structures in our society that perpetuate economic exploitation of people who are poor

To learn more and for ideas on how to get involved and do your vital part as a member of a Matthew 25 church, please visit pcusa.org/matthew25.
